# SCHOOL ASSEMBLY

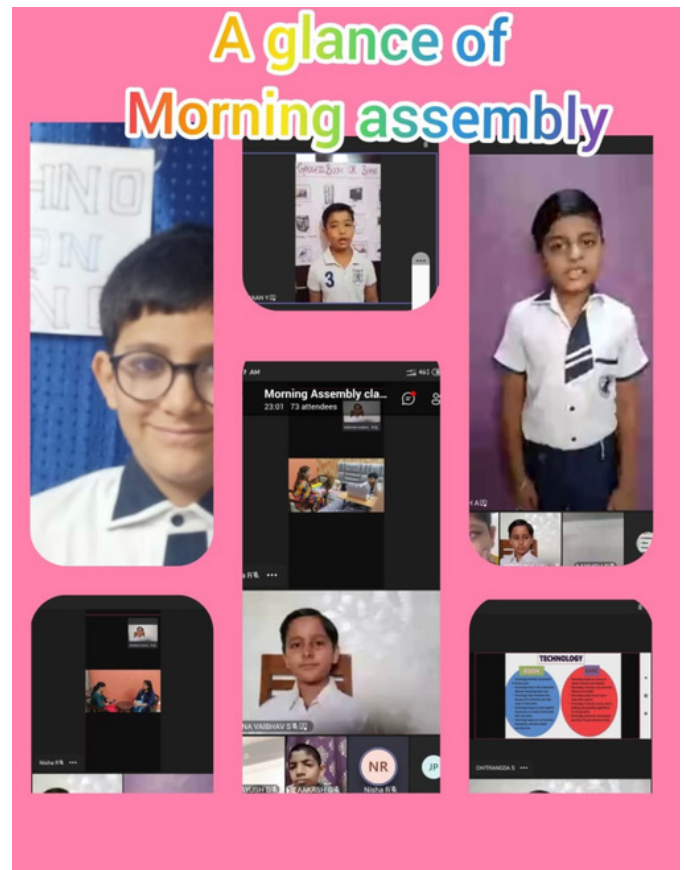

Every human must strive to uphold the proverb 'Cleanliness is next to Godliness.' By maintaining a clean surrounding our mind and body becomes fresh which further leads us to a successful life. As our body and mind is our holy shrine so keeping it clean helps in developing spirituality and concentration. The students of class III-A promoted the same thought in their special assembly.

Every year , 29th August is celebrated as National Sports Day to promote sports in our country. On this day Major Dhyanchand ji, also known as 'the Magician of Hockey', was born and the Sports Day is celebrated in his memory. A special prayer meeting was organized by the students of class IV-B. In which they demonstrated the importance of sports.

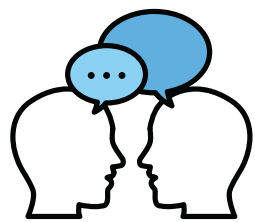

India is celebrating its 75th Independence Day. On this day we pay homage to our fighters who fought and sacrificed their lives for our independence. This year consecutively we celebrated it online , however this arrangement did not hamper the zeal in the students for the grand event. Students performed different activities like delivering of speech, reciting of poems , singing songs and performing dance to show their love towards their motherland .

The students of class 5A1 conducted their virtual class assembly on 03-08-2021. The topic of the assembly was 'Gadgets- Boon or Bane'. The assembly started with the morning prayer, followed by a speech, poem, PowerPoint presentation and a skit. Parents also participated in the skit. Students enthusiastically took part in the assembly and made everyone aware about different uses of technology in a positive way. As 'There is always two sides of a coin ' so technology can be evil or savior depending upon the usage of it. Students took the pledge that they will use the gadgets wisely and will not completely surrender themselves to technology.

' Remember, when you forgive , you heal. And when you let go, you grow.'

Students of class V C conducted an assembly to apprise children with the importance of 'Forgiveness'. The students participated with high spirits and it was a pleasure watching the dynamic and energetic performances by them.

# CELEBRATIONS

Happy  
Teachers  
Day

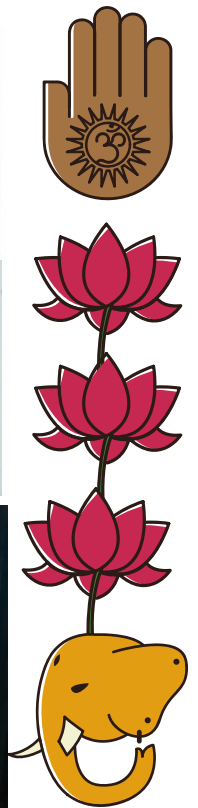

A good teacher is the one who inspires , ignite imagination and instill love towards learning.

On this special day, Our Tiny tots made 'Teacher's Day' cards and thanked their teachers for everything they do.

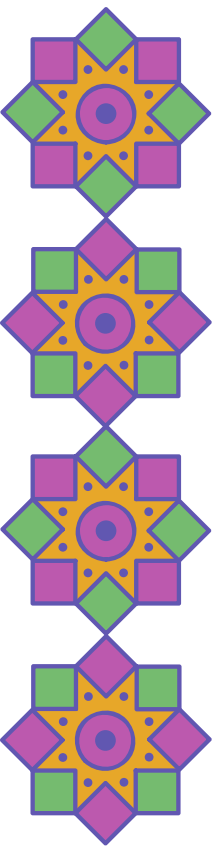

# CELEBRATIONS

Ganesh Chaturthi is celebrated as the birthday of Lord Ganesha, the son of Lord Shiva and Parvati. This festival is also known as Vinayaka Chaturthi or Ganeshotsav. Students of class Nursery and Prep celebrated Ganesh Chaturthi with great pomp and gaiety. Our tiny kids made Ganesh crafts in 'Crafty Session' and Modak in 'Kitchen Activity'. They enjoyed the dance performances and were also told about the importance of celebrating this festival.

Every citizen of India must remember that he is an Indian and he has every right in this country but with certain duties. Today we celebrated Independence Day to remember the struggle of our great freedom fighters and showed our gratitude towards them. Vandana International School celebrated 75th Independence day with unprecedented patriotic fervour on August 14th 2021. The students of class-1 gave dance performance, recited poems and prepared poster for the special virtual assembly.

Janmashtami is celebrated as the birthday of Lord Krishna, one of the most powerful and famous reincarnations of lord Vishnu.

Our little ones celebrated Krishna Janmashtami with full fervor. Activities based on craft and cooking were organized for them. The students dressed up as Radha and Krishna, gave a traditional touch to the entire celebration. The day was a delightful divine journey for the students. The main objective of the celebration was to inculcate value of sharing and respect in the students.

“The bond between a sister and a brother is sometimes tightly woven and sometimes loosely held but is never

Broken”

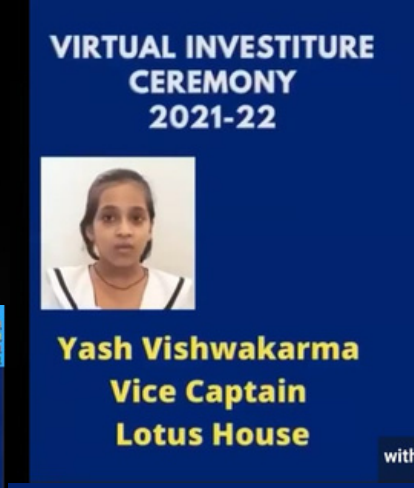

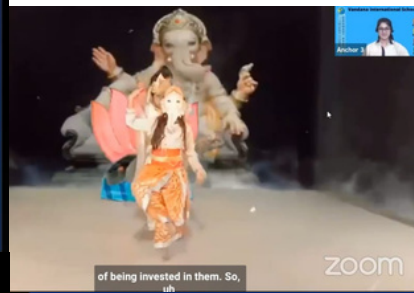

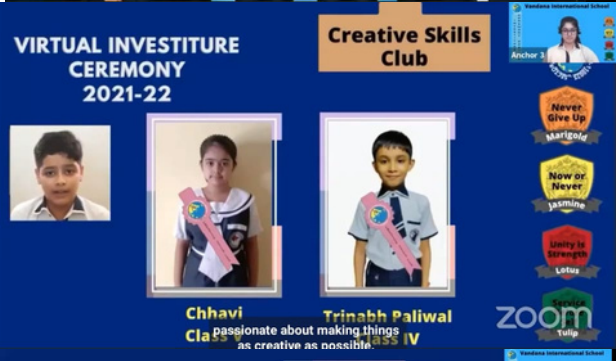

Raksha Bandhan celebrates the love of a brother for his sister. On this day , a sister ties a thread on the wrist of her brother as a symbol of her unconditional faith in him and of her prayers for his long life. In return, the brother promises to keep her happy always and protect her from all troubles. Our Tiny tots made handmade rakhis and also prepared ‘ Nariyal laddoo’. We believe that such celebrations of festivals with true spirit teach the students about our Indian culture. The event was celebrated with full enthusiasm and zeal.

# INVESTITURE CEREMONY

“Great leaders don’t set out to be a leader. They set out to make a difference. It’s never about the role-always about the GOAL”

Vandana International School successfully conducted the 'Investiture Ceremony' on 9th September, 2021. This event beholds the trust and confidence towards our students. # SYNERGIA 2021

Synergia-Fest is an eagerly awaited inter-school fest for students. Continuing with its endeavours to spread the essence of environmental awareness among the young learners, Vandana International School, Sector 10 Dwarka organized "Synergia-2021" on the theme Envirofest on 17th and 18th August 2021. The event was diligently organized. There was a soul to it. A soul that was vibrant, contagious and exuberant. The event began with a welcome dance presentation followed by a song to keep hopes alive during the challenging times. The event witnessed a massive participation of around 400 students from 40 reputed schools across the city. An array of competitions from Pre Primary to Senior Secondary level was conducted and a wide spectrum of activities related to literary and performing arts were included in the same. The events provided children of eminent schools of Delhi and NCR to exhibit their talent and skills with great enthusiasm and passion even in this phase of pandemic. The event commenced with the felicitation of the venerable Chief Guest, Mr. Anurag Tripathi, Secretary CBSE. The School Academic Director, Ms. Akansha Tandon in her address, welcomed the participants and wished them success.

Students from classes' I-XII participated in various events like, Ting-A-Ling, E-Face, Taal Tarang, Talking Titans, Shoe decor and many more as per their category. The participants prepared zealously to excel in their respective events. While two of these were live through MS Teams, for others recorded videos were invited. Though it was a virtual celebration, it was nevertheless exciting because of its uniqueness. As the participants expressed themselves, their youthful creativity and unbridled imagination, brought alive their emotions and created a palette of colours. Their vivacity and brilliance, was displayed fully in their performances. The competition was an enriching experience for all the participants.

The festival's success is credited to the organizing committee of Synergia Fest, headed by the Academic Director Ms. Akansha Tandon. These events gave all parties involved an opportunity to implement their technical know-how, for the organizers, in brainstorming and coming up with new events and for the participants who learned something new by the end of the day.

# TEACHER'S DAY CELEBRATION

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students—the leaders of tomorrow. Vandana International School celebrated this day with great enthusiasm and fun. The principal in her address congratulated all teachers for their hard work and efforts during this pandemic to make learning as interactive as possible. There were many fun filled games organised for teachers to make the day memorable for them. The cultural programme unfolded with a dance performance by the teachers of primary wing followed by a skit on online teaching by secondary wing. And lastly an appreciation video prepared by senior secondary students for their teachers. The entire programme was applauded by everyone present and will always remain a beautiful memory in the hearts of one and all present.

# SUBJECT ENRICHMENT ACTIVITY

## Describing Words

The main objective of integrating English with Art is to engage the child in explorative and hands-on activities which leads to the development of basic cognitive and psychomotor skills through language, observation and drawing. To allow children to develop creative, observational and innovative qualities in them, students of Class-1 made cut-outs on the Topic- 'Describing Words'. Students wrote different describing words on it. This activity helped the students to learn new vocabulary words in a fun way.

## Emoji's Day

Emoji helps to create a visual bridge towards the child's primary language. Moreover, it's an amazing way to reflect on one's interpersonal skills. In order to show emotions, Grade1 champs painted their faces and acted like their favourite Emoji. Also they enjoyed decoding the Emojis of their fellow mates and gave wings to their creativity by making their own Emoji stamps.

जीव-जंतु पेड़-पौधे मानव जाति के लिए सदैव से ही उपकारी हैं और वह हमेशा से ही मनुष्य को किसी न किसी प्रकार से सुख सुविधा प्रदान करते हैं। इसी का ध्यान रखते हुए कक्षा 2 के छात्रों ने अपने मनपसंद जीव जंतु का किरदार निभाते हुए कुछ पंक्तियाँ प्रस्तुत करी 1 इससे उनको नई शब्दावली सीखने को मिली और उनका संस्मरण कौशल भी विकसित हुआ 1

"What you wear is how you present yourself to the world." So, keeping this in mind an EVS online class activity on 'My Favourite Dress' was conducted where students learned and enhanced their speaking skills, a skill that a child will use throughout his or her life. In this activity the 2nd class students spoke on different types of dresses of their choice. They described the dresses with a lot of confidence, facial expression and voice modulation. Overall, the activity was a spectacular learning experience for the students.

## FRUIT WINDCHIMES

Balance , peace, and joy are the fruits of a successful life. It starts with recognizing your talents and finding ways to serve others by using them. Subject enrichment activities give opportunities to make children strong enough from within so that they will be able to solve each and every problem themselves. The main objective of these enrichment activities is to allow children to explore their interests with new skills. Students of Class -1 made beautiful fruit wind chimes. Through this activity they enhanced their vocabulary skill as well as their creativity levels.

## SCIENCE

"Healthy posture is based on natural positions that balance and support your skeletal system's curves and weight-bearing abilities against the force of gravity. " - Author: Cindy Ann Peterson

Where would we be without bones? They provide a framework to our body, protect our internal organs and let us move in many ways. Students of class V prepared 2D and 3D models of the Skeletal System and explained all its parts.

## ENGLISH

"Without the sun, there could be no life on this planet; it would be forever barren, cold, and dark." As part of the chapter 'Come back Mr. Sun', an activity was conducted for students of class-3, where they were asked to imagine life without Sun and its consequences. Kids came up with interesting facts about the Sun and also were curious enough to ask questions related to other unavoidable things around us.

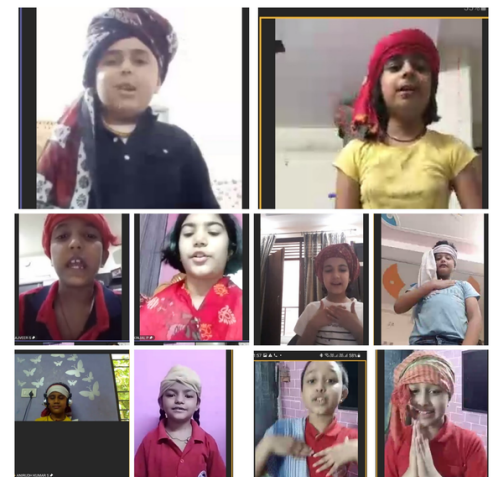

"To be alive and to be a 'writer' is enough."

-Katherine Mansfield

An activity was conducted for students of class 5, where they were asked to make a PPT on the birthplace of Katherine Mansfield i.e, Newzealand. She is the author of the poem 'A Fine Day'. Kids made PPTs with audio using different features studied in computer class. This activity made kids to know more about the poetess and her birthplace.

'You should act only because you want to be led to something bigger in life.'

Our school does not only focus on the Read and Write Education but also believes in educating the children in an efficient way. We offer a fusion of myriad co-curricular activities along with academics to pave the path of holistic development of our students. An activity was conducted for class 4 students where they got an opportunity to pick any to two characters from their English lesson to Mono Act. Students came forward and participated with full enthusiasm. This activity played an important role in evolving their artistic exploration .
